RE: Quarterly Report on the Status of All Funding Awarded and Administered by the Kentucky Infrastructure Authority Pursuant to KRS 224A.320 & KRS 224A.322

Dear Senator McDaniel, Representative Petrie, and Members of the Interim Joint Committee on Appropriations and Revenue:

Pursuant to KRS 224A.320(2)(g), the Kentucky Infrastructure Authority is submitting its quarterly report on the status of all funding awarded and administered under the Kentucky WWATERS Program.

The attached quarterly report reflects the status of all projects as of **June 30, 2026**.

House Joint Resolution 30 (2025 Regular Session) authorized the release of \$87.3 million for 34 projects. Assistance Agreements have been sent to grantees for all 34 projects and approximately \$4.1 million has been disbursed to 17 projects. All available funds have been disbursed for two of those 17 projects.

House Joint Resolution 81 (2026 Regular Session) authorized the release of \$52.5 million for 17 projects. KIA has notified the funding recipients of the awards for all 17 projects and will send Assistance Agreements once the required documentation is submitted.

Sincerely,

A handwritten signature in blue ink that reads "Sandy Williams".
