AGENDA

**KENTUCKY INFRASTRUCTURE AUTHORITY
BOARD MEETING
100 Airport Road, Third Floor
September 26, 2019, 1:00 P.M.**

Call to Order:

Chair Sandra Dunahoo

- Confirmation of Press Notice
- Confirmation of Quorum
- Recognition of Members/Guests

I. BUSINESS (Board Action Required)

A. Minutes

- | | | |
|--|-------------------------|---|
| 1. Consideration of Approval of the Minutes of the Kentucky Infrastructure Authority Regular Board Meeting of August 6, 2019
<i>(Attachment I.A.1.)</i> | Chair Sandra K. Dunahoo | 7 |
|--|-------------------------|---|

B. New Projects / Action Items

- | | | |
|---|---|----|
| 1. Resolution and Order of the Board of Directors for Approval of a Fund A loan (A20-002) in the amount of \$2,580,370 to the City of Burkesville, Cumberland County, Kentucky (SX21057002)
<i>(Attachment I.B.1.)</i> | Mr. Jory Becker, DOW
Ms. Meili Sun, KIA | 17 |
| 2. Resolution and Order of the Board of Directors for Approval of a Fund A loan (A20-045) in the amount of \$910,000 to the City of Nicholasville, Jessamine County, Kentucky (SX21113028)
<i>(Attachment I.B.2.)</i> | Mr. Jory Becker, DOW
Mr. Michael Dant, KIA | 31 |
| 3. Resolution and Order of the Board of Directors Authorizing an Amendment to a Fund F loan (F18-006) increasing the amount by \$1,855,457 to the City of Lebanon, Marion County, Kentucky (WX21155043)
<i>(Attachment I.B.3.)</i> | Mr. Jory Becker, DOW
Ms. Meili Sun, KIA | 45 |
| 4. Resolution and Order of the Board of Directors Authorizing and Approving the Issuance of Obligations of the Kentucky Infrastructure Authority to Reimburse Capital Expenditures made by Governmental Agencies Pursuant to Loans made by the Kentucky Infrastructure Authority to such Governmental Agencies
<i>(Attachment I.B.4.)</i> | Ms. Meili Sun, KIA | 59 |
| 5. Consideration of the Kentucky Infrastructure Authority Audited Financial Statements for the Fiscal Year Ended June 30, 2019
<i>(Handout)</i> | Mr. Jeff Abshire, KIA
Mr. Simon Keemer, CPA,
Dean Dorton Allen Ford, PLLC | |
| 6. Resolution and Order of the Board of Directors for Approval of changes to the Kentucky Infrastructure Authority By-Laws
<i>(Handout)</i> | Chair Sandra Dunahoo | |

II. EXECUTIVE DIRECTOR'S REPORT

Ms. Donna McNeil, KIA

KENTUCKY INFRASTRUCTURE AUTHORITY
Minutes of the Full Board

Meeting Date/Location: August 6, 2019 – 1:00 p.m.
Kentucky Infrastructure Authority
100 Airport Road, Third Floor, Frankfort

Members present:

Commissioner Sandra K. Dunahoo, Department for Local Government
Mr. Bruce Scott, (proxy for Secretary Charles Snavelly), Energy and Environment Cabinet
Ms. Sandy Williams, (proxy for Secretary William Landrum), Finance and Administration Cabinet
Ms. Gwen Pinson, Executive Director, Public Service Commission
Mr. Bobby Aldridge (proxy for Interim Secretary Vivek Sarin), Cabinet for Economic Development
Mr. Ron Lovan, Representing the Kentucky Section of the American Water Works Association
Mr. Brent O'Neill, representing the For-Profit Water Companies
Mr. Russell Rose, representing Kentucky Rural Water Association
Mr. Robert A. Amato, representing Kentucky Municipal Utilities Association

Members absent:

Mr. Claude Christensen, representing Kentucky League of Cities
Mr. David A. Voegle, representing Kentucky Association of Counties

DLG Staff:

Mr. Greg Ladd, General Counsel

KIA Staff:

Ms. Donna McNeil, Executive Director
Ms. Linda Bridwell, Deputy Executive Director
Ms. Ashley Adams, Financial Analyst
Ms. Julie Bickers, Regional Compliance Coordinator
Mr. Kelly Cunnagin, Executive Staff Advisor
Mr. Michael Dant, Financial Analyst
Mr. Dustin Horn, WRIS Geoprocessing Specialist
Ms. Debbie Landrum, Regional compliance Coordinator
Ms. Meg Link, Administrative Specialist III and KIA Secretary
Ms. Sarah Parsley, Regional Compliance Coordinator
Mr. Don Schierer, WRIS Resource Management Analyst
Mr. Thomas Schubert, GIS Specialist
Ms. Meili Sun, Financial Analyst

Guests:

Mr. Jory Becker, Division of Water
Ms. Bethany Couch, Office of Financial Management
Mr. Matt Curtis, Bluegrass Engineering
Mr. Wayne Jackson, Allen County Water District
Mr. Josh Reynolds, Allen County Water District
Mr. John Steinmetz, Banks Engineering
Mr. Darce Tabor, Allen County Water District
Mr. Robin York, Allen County Water District
Mr. Joe Young, Allen County Water District

PROCEEDINGS

Commissioner Sandra K. Dunahoo, Chair, called the meeting of the Kentucky Infrastructure Authority (KIA) Board to order. She asked Mr. Greg Ladd, DLG General Counsel, to confirm the press notification distribution as well as the presence of a quorum. Guests were asked to introduce themselves.

I. BUSINESS (Board Action Required)

A. 1. APPROVAL OF MINUTES

For: KIA Regular Board Meeting of July 9, 2019

Mr. Bruce Scott moved to approve the minutes of the July 9, 2019, regular board meeting. Mr. Brent O'Neill seconded, and the motion carried unanimously.

B. NEW PROJECTS/ACTION ITEMS

1. A RESOLUTION AND ORDER OF THE BOARD OF DIRECTORS OF THE KENTUCKY INFRASTRUCTURE AUTHORITY AUTHORIZING AN AMENDMENT TO THE CONDITIONAL COMMITMENT FOR A FEDERALLY ASSISTED CLEAN WATER REVOLVING FUND A LOAN (A15-090) INCREASING THE AMOUNT TO \$906,446 TO THE CITY OF NICHOLASVILLE, JESSAMINE COUNTY, KENTUCKY

Mr. Bob Amato left the room during the presentation and discussion.

Mr. Jory Becker, DOW, Mr. Michael Dant & Ms. Linda Bridwell, KIA, and John Steinmetz, Banks Engineering, representing the City of Nicholasville discussed the City's request for a Fund A loan increase, (A15-090) in an amount up to \$565,466 for the Orchard SSO Relief and Brittany Lift Station Elimination project. The project was originally approved on April 2, 2015 in the amount of \$340,980.

The purpose of the project, as originally approved, was to provide sufficient capacity to convey wastewater flows downstream of, and in, the Orchard area of Nicholasville to improve surface water quality while also reducing the incidence and duration of wet weather overflows from seven existing manholes. The increase is needed to fund a change in scope due to a completed sanitary sewer overflow (SSO) project that reduced the capacity of the sewer line into which this project was originally planned to flow.

The City of Nicholasville experiences several recurring sanitary sewer overflows (SSOs) in the vicinity of Lake Mingo Park northeast of downtown. The sanitary sewer system in that area receives flow from the Brittney Heights Lift Station (BHLS), which serves several residential subdivisions including the Orchard Subdivision. Studies have shown that increasing system capacity downstream of the SSOs, per the original design, would likely cause new SSOs in the downtown area. Therefore the current project scope involves elimination of the Brittney Heights Lift Station with a new gravity sewer and upsizing a portion of the existing sewer system to divert the BHLS flow to the 30-inch Town Fork Interceptor downstream of downtown Nicholasville. The new gravity sewers will include capacity for potential new development along the route.

The project consists of the installation of approximately 5,000 linear feet of 10-inch through 12-inch gravity sewers and related appurtenances. The project also includes the elimination of the existing BHLS, and modifications to the East Jessamine Middle School Lift Station to handle the diverted flows.

The Nicholasville Sewer Department currently serves approximately 11,319 customers in Jessamine County.

Mr. Ron Lovan asked Mr. Steinmetz about the pinch point and removing flow. Mr. Steinmetz noted that the interceptor goes through downtown Nicholasville, there is a 21" line on Oak Street. The original concept was to eliminate the SSOs by eliminating some undersized lines and upsizing lines and it was realized during modeling that it would cause overflows in the major interceptor in the downtown area. The project was changed in the lake area, where the overflows were occurring. A neighborhood pump station took overflow from the area. The project design was changed to eliminate that pump station, construct a line to an existing pump station, make a minor capacity upgrade to that station, which pumps over to a lower line. The lower line is an 8" line, will be upsized to a 12" line. The lower part of that line ties back into a 30" interceptor, which has adequate capacity from there to the plant.

Mr. Bruce Scott asked Mr. Dant if they are increasing their sewer rates. Mr. Dant said sewer rates were not considered in his financial analysis because it wasn't necessary to stabilize the projection; however after doing these projections, it has been brought to his attention the City has decided to move forward with a rate increase, which has already had its first reading. The City has plans for two other projects and will need the increased revenue. Mr. Scott asked if one project was a new Waste Water Treatment plant that is needed under an Agreed Order. Mr. Scott asked if the water and sewer rates would be increased inside the City, as well as outside the City limits, noting the rates outside the City are 50% higher than inside the City. Mr. Dant said those issues would need to be addressed by the City in the future with the upcoming projects. Mr. Ron Lovan asked about the City's General Fund, non PSC regulated, an Electric, Water and Sewer all enterprise funds supposedly, does KIA look at those combined funds. Ms. Linda Bridwell noted that there is a requirement in the statute that any community that comes to KIA for funding has to account that their accounts are separate. In reality, often times the revenue and expense accounts are distinct, sometimes the Balance Sheet is a bit hard. For the City of Nicholasville their audit breaks out revenues and expenses for Electric, Sewer, but the Administration will be just the general utility fund. The general utility fund is a separate fund from the City. When the financial analysis was done it was analyzed both ways (with a separate sewer analysis or total utility general fund). KIA does not normally put a requirement on an entity that would specifically touch an Electric or Gas or something outside of the loan requirement itself. What was realized during the analysis after talking to City representatives, in the projections down the road because all the revenues are pledged, the Electric was trending that it would be subsidized by water and sewer without a change and our staff was concerned. They were losing money with the electric that had not been addressed. Staff discussed with City representatives the importance of the City staying whole. Staff was told the City had a Resolution that was going to be presented addressing the situation and that was incorporated in to KIA's recommendation and special conditions requirement. If the Board would like the language to be changed, staff will be happy to update upon their recommendation. Mr. Ron Lovan referred to the first special condition and the 1:0 debt coverage which fund is this referencing. Ms. Bridwell noted it was the Sewer Fund. The financial analysis is for the overall fund. Mr. Dant said

he could make some estimates on each fund, but no actual amount. Ms. Gwen Pinson asked the costs would be flat, is that anything based on Kentucky Utilities for the City to shore those up and pass them along to the consumers. Mr. Dant said that is true. Commissioner Dunahoo asked if the Board was comfortable moving forward with the loan at this time. Mr. Scott said he was okay for now, but had concerns with future requests. Ms. Bridwell noted their concerns and said KIA staff had the same concerns. KIA staff has discussed the issue with City representatives and expressed their concerns that each utility has to sustain itself.

Mr. Bruce Scott moved to approve the Fund A Loan (A15-090) in an amount up to \$565,466 with the standard conditions and the following special conditions: 1. By October 1, 2019, the city passes a revised rate schedule providing adequate revenue to produce a minimum of a 1.0 debt coverage ratio. 2. By October 1, 2019, the City passes a resolution to review the electric each year and true-up costs not recovered during the past year.

2. A RESOLUTION AND ORDER OF THE BOARD OF DIRECTORS OF THE KENTUCKY INFRASTRUCTURE AUTHORITY AUTHORIZING ISSUANCE OF A CONDITIONAL COMMITMENT FOR A FEDERALLY ASSISTED DRINKING WATER REVOLVING FUND LOAN (F19-025) FOR AN AMOUNT UP TO \$2,450,000 TO THE ALLEN COUNTY WATER DISTRICT, ALLEN COUNTY, KENTUCKY

Mr. Jory Becker, DOW, Ms. Meili Sun, KIA, and Mr. Joe Young, Allen County Water District, discussed the Allen County Water District's request for a Fund F Loan (F19-025) for an amount up to \$2,450,000 to fund the US 231 Elevated Water Tank project. The purpose of this project is to increase storage and improve water quality for the existing customers in a high growth area of Allen County.

This project will replace the existing Lambert Road ground storage tank with a 500,000 gallon elevated tank to address the short fill cycles and the lack of adequate storage in this part of the ACWD distribution system. The existing Lambert Road storage tank will be removed from operation and ultimately be decommissioned. In addition to the new elevated tank, approximately 9,000 LF of 8 inch PVC water line will be run along Bowling Green Road to transport water pumped via the Halfway Booster Station to the Walker Chapel Pressure Zone. The Halfway Booster Station will have some internal piping switched out for installation of a new master meter to aid in the District's water loss program.

The District is a Kentucky Public Service Commission regulated utility, purchasing 100% of its water supply from the City of Glasgow and the City of Scottsville to serve approximately 5,500 retail customers within Allen County and providing wholesale water to the City of Scottsville.

Mr. Joe Young discussed their revenue shortfalls have been due to some meter issues that are being addressed. The tank they are wanting to take out of service is deteriorating staff is very concerned about the safety at this point in time. The Board decided several months ago to explore options for a new tank at a different location. The water system is operating at 70% capacity, with a new tank installed the projection is for the system to be in decent shape for 15-18 years.

Mr. Ron Lovan asked what their water loss was currently. Mr. Young noted it started out at between 30-35%, but is currently down to 19%. New master meters are now being installed in zones to try and determine where the leaks are located, some of their new meters have been dead on arrival. Mr. Lovan asked the age of the system. Mr. Young said 25 years old. There are 3 glass lined tanks of concern, two of them have already been relined and now there is deterioration of the joints, the tank has now been taken out of service. Expenses have run higher than they expected.

Ms. Gwen Pinson abstained from voting. Mr. Bruce Scott moved to approve the Allen County Water District's request for a Fund F Loan (F19-025) for an amount up to \$2,450,000 with the standard conditions and the following special condition: 1. The District shall pass a resolution by September 1, 2019 to increase water rates. The new rates shall reflect a 7% increase or \$160,000 additional revenues, effective January 1, 2021. Mr. Ron Lovan seconded and the motion was unanimously approved.

3. A RESOLUTION AND ORDER OF THE BOARD OF DIRECTORS OF THE KENTUCKY INFRASTRUCTURE AUTHORITY AUTHORIZING ISSUANCE OF A CONDITIONAL COMMITMENT FOR AN INFRASTRUCTURE REVOLVING FUND LOAN (B19-007) FOR AN AMOUNT UP TO \$2,221,117 TO THE CITY OF MAYFIELD, GRAVES COUNTY, KENTUCKY

Ms. Ashley Adams, KIA discussed the City of Mayfield's request for a Fund B Loan (B19-007) in an amount up to \$2,221,117 for the following four projects, two of which are already complete:

Existing 10th St. Wetwell and Force Main Project (SX21083055):

This project is to construct a new wet well and pump station, adjacent to the existing 10th St. wet well and pump station. The existing wet well will be rehabilitated with the pumps removed, and flow into the new wet well in order to prevent the relocation of four upstream gravity sewer lines that feed into the existing wet well. Additionally, a new force main (4" or 6") will be constructed to replace the existing 4" asbestos cement force main that currently flows away from the existing wet well. This new line will follow the alignment of the existing line. This is a change from the original project profile, which proposed a much larger 15" force main with a different alignment leaving the new pump station.

The purpose of the project is to alleviate the I/I from three manholes in the immediate vicinity of the existing wet well. The project scope has been reduced from the original project profile to eliminate the effort to consolidate flows from three existing package treatment plants. The smaller force main leaving the new wet well does not allow for adequate capacity for additional flows from the package plants. However, that consolidation is still part of the long term plans for Mayfield sewer service. Further engineering work will be necessary to complete that component.

Bar Screen for Todd Lift Station Project (SX21083061):

This project will replace the bar screen at the Todd lift station which frequently experiences issues due to an increase in garbage and medical waste.

Combination Sewer Cleaning Truck (SX21083047):

Reimbursement for the purchase of a sewer cleaning truck. This truck will help alleviate debris that builds up within sewer lines that restrict flow capacity. This will eliminate safety issues that workers encounter by limiting the confined space entries required for maintenance operations. The system has already purchased the truck.

Water Line Extension to Wildwood Subdivision (WX21083021):

This project, which has already been completed, ran approximately 3,300 linear feet of 6 inch water line to provide water and fire service to the unserved Wildwood Subdivision from Douthitt Road across the 121 bypass. Another 6 inch water line (approximately 1,000 LF) was installed from Douthitt Road across the 121 bypass to provide water and fire services to a commercial location.

Mayfield Electric and Water System serves nearly 5,000 water and sewer customers in the City of Mayfield and surrounding Graves County. Their operations also include electric and broadband.

Ms. Sandy Williams asked about the two projects that are being refinanced, how the projects were originally funded and how much will they save. Ms. Adams said she would not call them a refinance, but self-funded that KIA would be reimbursing. Ms. Williams asked if any of the projects qualified for federal funding. Ms. Adams said the 10th Street project could have sought SRF funding, but she is not sure. She told Ms. Williams she would be happy to investigate further, if she would like. Ms. Adams noted that if they did apply for SRF funding they would rank very low on the priority list. KIA cannot fund fire protection. If that was noted in their application it would have been disqualified.

Ms. Williams asked about the Fund B balances and how are they being forecast. Director McNeil noted that Fund B monies are on a first-come, first-served basis. The borrower submits a Letter of Intent, and staff takes into consideration the repayment for six months and budgeting out so we are not overcommitting. There are other loans coming out of Loans B and C, both are administered the same and being tracked. If a Letter of Intent comes in requesting B or C funding, currently there is no funding available, due to existing projects in the process.

Mr. Ron Lovan asked about using funding to purchase vehicles. Director McNeil noted that with the federal programs, Funds A and F, there are specific issues, there is a list. If it is specifically for passenger vehicles, they are not eligible under those programs. The Fund B program is much more flexible and the Fund C has the KIA Equipment Loan program through Surplus Property providing funding.

Ms. Sandy Williams moved to approve the Fund B Loan (B19-007) for an amount up to \$2,221,117 with the standard conditions. Mr. Bruce Scott seconded and the motion was unanimously approved.

4. **A RESOLUTION OF THE KENTUCKY INFRASTRUCTURE AUTHORITY AUTHORIZING AND APPROVING THE ISSUANCE OF OBLIGATIONS OF THE KENTUCKY INFRASTRUCTURE AUTHORITY TO REIMBURSE CAPITAL EXPENDITURES MADE BY GOVERNMENTAL AGENCIES PURSUANT TO LOANS MADE BY THE KENTUCKY INFRASTRUCTURE AUTHORITY TO SUCH GOVERNMENTAL AGENCIES**

This is a routine resolution allowing KIA to reimburse expenses that are paid out of the Authority’s funds with bond proceeds. The projects listed below are covered under this resolution:

BORROWER	FUND	AMOUNT UP TO
City of Nicholasville (Increase)	A15-090	\$ 565,466
Louisville & Jefferson County Metropolitan Sewer (Director Level Increase)	A19-028	\$ 2,200,000
City of Mayfield (Construction)	B19-007	\$2,221, 117
Allen County Water District	F19-027	\$ 2,450,00

Director McNeil noted the capital reimbursement resolution included an increase for the Louisville and Jefferson County Metropolitan Sewer District, in the amount of \$2,200,000, which is under the 10% of the total loan amount of \$24,200,000, which the Executive Director can approve without Board approval. Their bids came in higher than expected.

Mr. Bruce Scott moved to approve the reimbursement resolution. Mr. Bob Amato seconded and the motion carried unanimously.

II. EXECUTIVE DIRECTOR’S REPORT

Director McNeil asked everyone to note the award that KIA received, a SAG Award for special achievement in GIS for 2019. Dustin Horn and Bryan Bunch attended a conference in San Diego recently and were presented this award for the dashboard that Mr. Horn created.

Several KIA staff members attended the Region IV EPA meeting in Atlanta last week. The dashboard was presented there and was very well received. Staff also did a presentation on the Priority List in ranking and what goes on behind the scenes. Many states were interested in our WRIS and the process, especially Tennessee and Georgia, they are proactively working on getting it passed through their Legislatures. Staff also attended a financial analysis training later in the week in Atlanta that was sponsored by EPA Region IV and presented by Northridge that was subpar.

Linda Bridwell is working with Mark Franklin at Dinsmore and Shohl to update the KIA Assistance Agreement, starting with Fund F, specifically looking at the wording regarding repayment. All Assistance Agreements will be updated in the coming months.

The Clean Water IUP has been finalized and is on the KIA Website. Thirty communities as of right now have accepted invitations for loans totaling \$66.5 million. A second round of invitations has been sent to get out totals up to the \$75 million mark, 7 of those are pending. So there could be a total of 37 applicants for this program.

The Drinking Water IUP is being finalized, the expectation is to have it completed by the end of the week. No public comments were received and no one attended the public hearing. Twenty-four communities have accepted the invitation for funding for \$47.1 million this year. A second round of invites had been sent out today to four other communities that we expect to accept the invitation to get us up to the \$52.5 million mark.

ANNOUNCEMENTS/NOTIFICATIONS

- Commissioner Dunahoo extended an invitation to the Board to attend the Governor’s Local Issues Conference at the Galt House, in Louisville. It begins on August 28th and runs through August 30th. She notes the slight overlap with the Kentucky Rural Water Association Conference in Lexington, but hopes everyone will be able to attend. The schedule has changed this year, due to the Governor’s schedule and he will not be attending the luncheon on Wednesday, but the breakfast on Thursday morning. Single day tickets are available on the DLG website.
- Director McNeil made one further announcement. She has been appointed to a Public Water and Waste Water Task Force for the Legislature and the first meeting is scheduled for August 28th at 1:00 p.m. She will be presenting and providing information on funding opportunities, both grants and loans for availability in Kentucky and provide comments on ways to improve infrastructure funding in the state. If anyone has any thoughts or suggestions, please contact Director McNeil.
- Next scheduled KIA board meeting:
Thursday, September 26, 2019, 1:00 p.m.
100 Airport Road, Third Floor
Frankfort, Kentucky

There being no further business, Mr. Ron Lovan moved to adjourn. Mr. Bruce Scott seconded and the motion carried unanimously. The August 6, 2019 meeting of the Board of the Kentucky Infrastructure Authority was adjourned.

A RESOLUTION AND ORDER OF THE BOARD OF DIRECTORS OF THE KENTUCKY INFRASTRUCTURE AUTHORITY AUTHORIZING ISSUANCE OF A CONDITIONAL COMMITMENT FOR A FEDERALLY ASSISTED CLEAN WATER REVOLVING FUND LOAN (A20-002) FOR AN AMOUNT UP TO \$2,831,370 TO THE CITY OF BURKESVILLE, CUMBERLAND COUNTY, KENTUCKY

WHEREAS, the Kentucky Infrastructure Authority (the "Authority") has been duly created as a body corporate and politic constituting a public corporation and a governmental agency of the Commonwealth of Kentucky pursuant to Chapter 224A of the Kentucky Revised Statutes (the "Act"); and

WHEREAS, pursuant to the Act, the Authority is duly and legally authorized to make loans to Governmental Agencies for the purpose of providing funds for the construction and acquisition of sanitary sewer facilities, water facilities or other types of infrastructure, and in that regard, to enter into Assistance Agreements with such Governmental Agencies governing the provisions in respect of which such loans are to be made, the amounts thereof and the repayment provisions in respect thereto; and

WHEREAS, the Authority anticipates entering into an Assistance Agreement for a loan from the Authority's Federally Assisted Clean Water Revolving Loan Program (Fund A) with the City of Burkesville, subject to final determination of amount when the factors involving such financing have been determined; and

WHEREAS, the Authority will, in the near future, authorize and issue a series of Infrastructure Authority Revenue Bonds for the purpose of funding loans to various governmental agencies, such series of Bonds to be known as Kentucky Infrastructure Authority Revenue Bonds with the appropriate Series designation; and

WHEREAS, the Authority wishes to establish terms and conditions on said Fund A loans prior to the issuance of Authority Revenue Bonds and recognizes that additional planning and design of the financed projects are required.

NOW, THEREFORE, THE KENTUCKY INFRASTRUCTURE AUTHORITY, ACTING BY AND THROUGH ITS BOARD OF DIRECTORS AS ITS DULY AUTHORIZED AND EMPOWERED GOVERNING BODY, DOES HEREBY RESOLVE AND ORDER, AS FOLLOWS:

Section 1. All statements of fact set forth in the preambles to this Resolution and Order are incorporated herein by reference, the same as if set forth verbatim. All such statements of fact are hereby declared to be true and accurate in all material respects.

Section 2. The Authority hereby authorizes the issuance of a conditional Federally Assisted Clean Water Revolving Fund loan for an amount up to \$2,831,370 including permanent financing for planning & design loan A19-045 in the amount of \$251,000 and

\$2,580,370 for construction, and capitalized interest during the construction period, to the City of Burkesville for the Wastewater Treatment Plant Improvements project. Such amounts are subject to adjustment by further action of the Authority or may be adjusted by action of the Executive Director at the time of the issuance of bonds based on adjustment in project costs of not more than (10%) ten percent of the loan amount authorized by this resolution. Upon satisfaction of all conditions of the commitment, execution of an assistance agreement for this loan is authorized.

Section 3. Principal forgiveness of 50% of the assistance amount, not to exceed \$1,000,000 will be credited to the loan balance upon release of liens on all contracts and disbursement of the final draw request by KIA to the borrower. The unforgiven principal balance of \$1,831,370 shall be repaid.

Section 4. The unforgiven principal shall be repayable over 30 years at an interest rate of 0.50%. In addition to debt service, a 0.2% annual administration fee on the unpaid, unforgiven principal balance will be charged. From annual revenues, \$7,100 must be set aside in a borrower held replacement reserve each December 1 until the balance reaches \$142,000 and maintained for the life of the loan. These terms are subject to adjustment upon execution of the loan agreement, upon changes in the project conditions or determination that the project will require authority financing to be done on a taxable basis.

Section 5. This Resolution and Order shall be in full force and effect from and after its adoption at a properly held meeting of the Kentucky Infrastructure Authority this 26th day of September, 2019.

SANDRA K. DUNAHOO, CHAIR
KENTUCKY INFRASTRUCTURE AUTHORITY

Re: A20-002
Burkesville WWTP--873
Activity ID: FGL20200003
Project Name: WWTP Improvements

Dear Mrs. McNeil:

The Division of Water (DOW) hereby certifies that the City of Burkesville is eligible to receive \$2,580,370.00 from the Clean Water State Revolving Fund. The DOW certifies that the project scope is consistent with the scope that was used to rank the project on the Intended Use Plan-Project Priority List.

The City of Burkesville's status relative to the Clean Water State Revolving Fund General Conditions is provided below:

1. Project specific environmental information was approved by DOW on May 10, 2019.
2. Plans and specifications were approved by DOW on June 12, 2019.
3. Construction bids are expected to be opened in March 2020.

Upon compliance with the general conditions, the DOW will issue a final project certification prior to authorizing the loan agreement. A preconstruction and project management conference with the DOW must be held prior to commencement of construction. If you have any questions concerning this letter, please contact Joel Murphy, Project Manager, at (502) 782-7024.

Sincerely,

A handwritten signature in blue ink, appearing to read "Peter T. Goodman for".

Peter T. Goodman, Director
Division of Water

EXECUTIVE SUMMARY		Reviewer	Meili Sun	
KENTUCKY INFRASTRUCTURE AUTHORITY		Date	September 26, 2019	
FUND A, FEDERALLY ASSISTED WASTEWATER		KIA Loan Number	A20-002	
REVOLVING LOAN FUND		WRIS Number	SX21057002	
BORROWER	CITY OF BURKESVILLE CUMBERLAND COUNTY			
BRIEF DESCRIPTION				
This is the construction portion of the WWTP Improvements project. The planning and design portion was previously approved on February 7, 2019 and has been completed with DOW approvals of Plans & Specs and Environmental Review.				
The project will include improvements to the plant's headwork facilities and the chlorine contact basin. In addition to the work at the treatment plant site, the City will replace the existing pump station that serves a major industrial customer in the City. This pump station has nearly reached the end of its usable life.

**KENTUCKY INFRASTRUCTURE AUTHORITY
WASTEWATER REVOLVING LOAN FUND (FUND A)
CITY OF BURKESVILLE, CUMBERLAND COUNTY
PROJECT REVIEW
SX21057002**

I. PROJECT DESCRIPTION

This is the construction portion of the Wastewater Treatment Plant Improvements project. The planning and design portion was previously approved on February 7, 2019 and has been completed with the Division of Water approvals of Plans & Specs and Environmental Review.

The purpose of this project is to bring the treatment plant up to date with the regulatory requirements. It will improve the plant's headworks facilities by replacing the grit removal system and influent sampler, refurbishing the influent piping, HVAC, electrical and architectural components. Other replacements include the oxidation ditch equipment (motors, gear boxes, line shafts, bearings, etc.), the final clarifier equipment, as well as the chlorine gas disinfection system with a peracetic acid system. The scope of work also covers improvements to the chlorine contact basin, installation of new RAS/WAS pumping and new sludge processing equipment, upgrades to the existing electrical and instrumentation equipment, and replacement of an existing pump station that serves one major industrial customer.

The City of Burkesville currently serves approximately 600 customers within the service area and supplies wholesale water to the Cumberland County Water District, which is regulated by the PSC.

II. PROJECT BUDGET

	<u>Total</u>
Administrative Expenses	\$ 60,000
Legal Expenses	5,000
Planning	66,500
Engineering Fees – Design	184,500
Engineering – Construction	46,100
Engineering – Inspection	169,100
Engineering – Other	74,500
Construction	2,932,428
Contingency	293,242
	<u>\$ 3,831,370</u>

VII. DEMOGRAPHICS

Based on current Census data from the American Community Survey 5-Year Estimate 2013-2017, the Utility's service area population was 1,491 with a Median Household Income (MHI) of \$19,772. The median household income for the Commonwealth is \$46,535. The project will qualify for a 0.50% interest rate with its MHI below 80% of the State average.

Year	Population		County		County Unemployment	
	City	% Change	County	% Change	Date	Rate
1980	2,051		7,289		June 2005	6.6%

2000	1,756	-3.3%	7,147	5.4%	June 2015	5.3%
2010	1,521	-13.4%	6,856	-4.1%	June 2019	4.4%
Current	1,522	0.1%	6,744	-1.6%		
Cumulative %		-25.8%		-7.5%		

VIII. 2019 CAPITALIZATION GRANT EQUIVALENCIES

- 1) Green Project Reserve - This project does not qualify for Green Project Reserve (GPR) funding.
- 2) Additional Subsidization – This project qualifies for additional subsidization. Principal forgiveness of 50% of the assistance amount, not to exceed \$1,000,000 will be credited to the loan balance upon release of liens on all contracts and disbursement of the final draw request by KIA to the borrower.

IX. FINANCIAL ANALYSIS

Financial information was obtained from the audited financial statements for the years ended June 30, 2016 through 2018. The non-cash impacts of GASB 68 - Accounting and Financial Reporting for Pensions and GASB 75 - Other Postemployment Benefit have been removed from operating expenses. Percentage references in the History section below are based on whole dollar amounts and not the rounded amounts presented.

HISTORY

Combined water and sewer revenues went up 16.3% from \$0.96 million in 2016 to \$1.11 million in 2018 due to changes in terms of service agreement with the Cumberland County Water District while operating expenses increased less than 1.0% from \$0.72 million to \$0.73 million during the same period. The debt coverage ratio was 1.1, 1.0, and 1.5 for 2016, 2017, and 2018 respectively.

The balance sheet reflects a current ratio of 2.6, debt to equity ratio of 0.6, 39.7 days sales in accounts receivable, and 7.0 months of operating expenses in unrestricted cash.

PROJECTIONS

Projections are based on the following assumptions:

- 1) Sewer and retail water revenues will increase 1% annually based on the automatic adjustment clause adopted in the 2011 rate ordinance.
- 2) Wholesale revenues are estimated to grow 1% due to volume increase. In September, 2017, the City modified the service agreement with the Cumberland County Water District to reduce wholesale rate from \$2.21 to \$2.15 per 1,000 gallons while increasing volume from 3 million gallons or less per month to 1 million gallons or less per day. Wholesale water accounts for approximately 70% of the total water revenues.
- 3) Expenses will increase 2% each year for inflation.
- 4) Debt service coverage is 1.2 in 2023 when full year principal and interest repayments begin.

Based on the pro forma assumptions, the utility shows adequate cash flow to repay the KIA Fund A loan.

REPLACEMENT RESERVE

The replacement reserve will be 5% (\$142,000 total) of the final amount borrowed (prior to principal forgiveness) to be funded annually (\$7,100 yearly) each December 1 for 20 years and maintained for the life of the loan.

X. DEBT OBLIGATIONS

A RESOLUTION AND ORDER OF THE BOARD OF DIRECTORS OF THE KENTUCKY INFRASTRUCTURE AUTHORITY AUTHORIZING ISSUANCE OF A CONDITIONAL COMMITMENT FOR A FEDERALLY ASSISTED CLEAN WATER REVOLVING FUND A PLANNING AND DESIGN LOAN (A20-045) FOR AN AMOUNT UP TO \$910,000 TO THE CITY OF NICHOLASVILLE, JESSAMINE COUNTY, KENTUCKY

WHEREAS, the Kentucky Infrastructure Authority (the "Authority") has been duly created as a body corporate and politic constituting a public corporation and a governmental agency of the Commonwealth of Kentucky pursuant to Chapter 224A of the Kentucky Revised Statutes (the "Act"); and

WHEREAS, pursuant to the Act, the Authority is duly and legally authorized to make loans to Governmental Agencies for the purpose of providing funds for the construction and acquisition of sanitary sewer facilities, water facilities or other types of infrastructure, and in that regard, to enter into Assistance Agreements with such Governmental Agencies governing the provisions in respect of which such loans are to be made, the amounts thereof and the repayment provisions in respect thereto; and

WHEREAS, the Authority anticipates entering into an Assistance Agreement for a loan from the Authority's Federally Assisted Clean Water Revolving Loan Program (Fund A) with the City of Nicholasville, subject to final determination of amount when the factors involving such financing have been determined; and

WHEREAS, the Authority will, in the near future, authorize and issue a series of Infrastructure Authority Revenue Bonds for the purpose of funding loans to various governmental agencies, such series of Bonds to be known as Kentucky Infrastructure Authority Revenue Bonds with the appropriate Series designation; and

WHEREAS, the Authority wishes to establish terms and conditions on said Fund A loans prior to the issuance of Authority Revenue Bonds and recognizes that additional planning and design of the financed projects are required.

NOW, THEREFORE, THE KENTUCKY INFRASTRUCTURE AUTHORITY, ACTING BY AND THROUGH ITS BOARD OF DIRECTORS AS ITS DULY AUTHORIZED AND EMPOWERED GOVERNING BODY, DOES HEREBY RESOLVE AND ORDER, AS FOLLOWS:

Section 1. All statements of fact set forth in the preambles to this Resolution and Order are incorporated herein by reference, the same as if set forth verbatim. All such statements of fact are hereby declared to be true and accurate in all material respects.

Section 2. The Authority hereby authorizes the issuance of a conditional Federally Assisted Clean Water Revolving Fund A loan for an amount up to \$910,000 of project expense to the City of Nicholasville for the Nicholasville Waste Water Treatment Plant

Expansion Planning and Design Project. Such amounts are subject to adjustment by further action of the Authority or may be adjusted by action of the Executive Director at the time of the issuance of bonds based on adjustment in project costs of not more than ten percent (10%) of the loan amount authorized by this resolution. Upon satisfaction of all conditions of the commitment, execution of an assistance agreement for this loan is authorized.

Section 3. The loan shall be repayable over 5 years at an interest rate of 2.5%. In addition to debt service, a 0.2% annual administration fee on the unpaid loan balance will be charged. These terms are subject to adjustment upon execution of the loan agreement, upon changes in the project conditions or determination that the project will require authority financing to be done on a taxable basis.

Section 4. This Resolution and Order shall be in full force and effect from and after its adoption at a properly held meeting of the Kentucky Infrastructure Authority this 26th day of September, 2019.

SANDRA K. DUNAHOO, CHAIR
KENTUCKY INFRASTRUCTURE AUTHORITY

Re: A20-045
Nicholasville Water System--2300
Activity ID: FGL20200003

Dear Mrs. McNeil:

The Division of Water (DOW) hereby certifies that the City of Nicholasville is eligible to receive \$910,000.00 for a planning and design loan from the Clean Water State Revolving Fund. Upon approval of an engineering contract, the DOW will issue a final certification letter authorizing initiation of the Assistance Agreement.

If you have any questions concerning this letter, please contact Amber Vaughn, Project Manager, at (502) 782-7121.

Sincerely,

Peter T. Goodmann, Director
Division of Water

**KENTUCKY INFRASTRUCTURE AUTHORITY
WASTEWATER REVOLVING LOAN FUND (FUND A)
CITY OF NICHOLASVILLE, JESSAMINE COUNTY
PROJECT REVIEW
SX21113028**

I. PROJECT DESCRIPTION

The City of Nicholasville is requesting a \$910,000 Planning and Design Loan from 2020 SRF.

The proposed project consists of a new Facility Plan with provisions to increase the waste water treatment plant capacity. The existing Wastewater Treatment Plant (WWTP), which has a design capacity of 4.1 MGD with a peak flow of 23.16 MGD, had an average daily flow of 4.3 MGD for the past 12 months.

The proposed WWTP Upgrade project will consist of the addition of a second oxidation ditch with a design capacity of 3.0 MGD. A new oxidation ditch splitter box will be constructed to direct flow to existing ditch No.1, proposed ditch No.2, or both. The project will also include the construction of a new 100' diameter Clarifier No. 4 which will be required due to the additional design capacity of the WWTP, along with a clarifier splitter box to allow flow to be diverted to any one of the four Clarifiers or a combination of the four. A second Aerobic Digester will also be constructed to accommodate for the additional sludge produced. A new chemical feed system and building will be constructed. Additionally, the grit removal equipment, Ultraviolet disinfection equipment, WWTP Drain Pumping Station, Sludge Processing conveyor system, Clarifiers No.1 & 2 equipment and drives that were installed in 1996 when the WWTP was originally constructed, will be removed and replaced with new. The existing Supervisory Control and Data Acquisition (SCADA) System will also be upgraded to include the new oxidation ditch and clarifier as well as the new equipment installed. The existing emergency generator and automatic transfer switch at influent pump station No.1 will be replaced with a larger generator and switch capable of operating all five (5) pumps in the station rather than only four (4). The project will also include necessary site work, yard piping, and mechanical & electrical improvements.

The Nicholasville Sewer Department currently serves approximately 11,319 customers in Jessamine County.

All Over 10,000 Gallons, per 1,000	4.29	4.29	6.28	6.28
Cost for 4,000 gallons	\$22.97	\$22.14	\$33.37	\$32.52
Increase %	3.7%		2.6%	
Affordability Index (Rate/MHI)	0.6%	0.6%	0.9%	0.9%

VII. DEMOGRAPHICS

Based on current Census data from the American Community Survey 5-Year Estimate 2013-2017, the Utility’s service area population was 29,116 with a Median Household Income (MHI) of \$47,964. The median household income for the Commonwealth is \$46,535. The planning and design loan qualifies for the standard 2.5% interest rate.

Year	Population		County		County Unemployment	
	City	% Change	County	% Change	Date	Rate
1980	10,400		26,146		June 2005	5.3%
1990	13,603	30.8%	30,508	16.7%	June 2010	8.5%
2000	19,680	44.7%	39,041	28.0%	June 2015	4.6%
2010	28,015	42.4%	48,586	24.4%	June 2018	4.2%
Current	29,547	5.5%	51,667	6.3%		
Cumulative %		184.1%		97.6%		

VIII. 2020 CAPITALIZATION GRANT EQUIVALENCIES

- 1) Green Project Reserve - This project does not qualify for Green Project Reserve (GPR) funding.
- 2) Additional Subsidization – This project does not qualify for additional subsidization.

IX. FINANCIAL ANALYSIS

Financial information was obtained from the audited financial statements for the years ended June 30, 2013 through June 30, 2018 (2016-2018 presented). The non-cash impact of GASB 68, Accounting and Financial Reporting for Pensions, has been removed from fiscal 2016-2018 operating expenses and GASB 75, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions, has been removed from 2018 operating expenses. Percentage references in the History section below are based on whole dollar amounts and not the rounded amounts presented.

HISTORY

The City of Nicholasville accounts for sewer operations as a part of its Utilities Fund. The Utilities Fund encompasses water, sewer, and electricity. Certain categories of revenue and expense are combined between these activities thus preventing a completely independent analysis of the sewer system alone. For this reason the entire utility fund was analyzed and projected while separating out information for the sewer system where practical.

Combined Revenues increased six percent from \$24.2 Million in 2016 to \$25.7 million in 2018. Expenses, not including depreciation, increased 7.6% from \$20.7 million in 2016 to \$22.3 million in 2018.

Cash flow before debt service available for debt service decreased 3.4% from \$3.7 million in 2016 to \$3.6 million in 2018.

The debt coverage ratio was 0.9 in 2016, 1.1 in 2017, and 0.9 in 2018.

Recent analysis performed for a previous project suggested that in the past few years the electric purchase cost fluctuations were not being fully reimbursed through the city's system of rate adjustment. That situation was corrected with a revised ordinance passed in August 2019.

The City was able to maintain current ratios of 1.1 or higher, and debt to equity of 0.8 or higher. In 2018 the City had 9.6 months of operating expenses in unrestricted cash.

PROJECTIONS

Projections are based on the following assumptions:

- 1) Revenues are projected at 0% growth through 2023, except for:
 - Water = Based on already passed rate increases, a 6.4% and a 3.5% revenue increase is projected for 2019 and 2020, respectively.
 - Sewer = based on a rate increase passed in August of 2019, a 12% and a 2.3% revenue increase is projected for 2020 and 2021, respectively.
 - Electric Revenues were adjusted based on a revised rate schedule proposed to go into effect during FY 2020.
- 2) Expenses were projected to increase 2% each year, except:
 - Water Purchases were projected to increase at 0.4% each year based on a very small amount of water purchases that are subject to possible rate increases.
 - Electric Purchase Costs:
 - Electric purchases costs for FY 2019 were adjusted based on overpayment refunds received.
 - FY 2020 purchase costs were revised downward reflecting reduced rates from Kentucky Utilities.
 - The electric purchase costs from 2020 to 2023 are projected to be flat. This is based upon the City's proposal to review the electric net operating income each year and True-Up costs not recovered during the past year. Those costs would be recovered in the rate adjustments for the coming year.
- 3) The debt coverage ratio is 1.8 in FY 2021 when principal and interest repayments begin.

Based on the pro forma assumptions, the utility shows adequate cash flow to repay the KIA Fund A planning and design loan. Current estimates are that if the planning and design loan is rolled into the anticipated construction loan, the debt coverage ratio would be 1.22 in 2023 when principal payments would begin.

REPLACEMENT RESERVE

No replacement reserve is required for the planning and design loan. The need for a replacement reserve will be addressed as a part of the anticipated construction loan.

X. DEBT OBLIGATIONS

	<u>Outstanding</u>	<u>Maturity</u>

A RESOLUTION AND ORDER OF THE BOARD OF DIRECTORS OF THE KENTUCKY INFRASTRUCTURE AUTHORITY AUTHORIZING AN AMENDMENT TO THE CONDITIONAL COMMITMENT FOR A FEDERALLY ASSISTED DRINKING WATER REVOLVING FUND F LOAN (F18-006) INCREASE FOR AN AMOUNT UP TO \$4,497,137 TO THE CITY OF LEBANON, MARION COUNTY, KENTUCKY

WHEREAS, the Kentucky Infrastructure Authority (the "Authority") has been duly created as a body corporate and politic constituting a public corporation and a governmental agency of the Commonwealth of Kentucky pursuant to Chapter 224A of the Kentucky Revised Statutes (the "Act"); and

WHEREAS, pursuant to the Act, the Authority is duly and legally authorized to make loans to Governmental Agencies for the purpose of providing funds for the construction and acquisition of sanitary sewer facilities, water facilities or other types of infrastructure, and in that regard, to enter into Assistance Agreements with such Governmental Agencies governing the provisions in respect of which such loans are to be made, the amounts thereof and the repayment provisions in respect thereto; and

WHEREAS, the Authority previously approved a Federally Assisted Drinking Water Revolving Fund Loan (F18-006) to the City of Lebanon on February 1, 2018, in the amount of \$2,641,680 and the City of Lebanon has requested to increase loan (F18-006) by \$1,855,457; and

WHEREAS, the Authority anticipates entering into an Assistance Agreement for a loan from the Authority's Federally Assisted Drinking Water Revolving Loan Program (Fund F) with the City of Lebanon, subject to final determination of amount when the factors involving such financing have been determined; and

WHEREAS, the Authority will, in the near future, authorize and issue a series of Infrastructure Authority Revenue Bonds for the purpose of funding loans to various governmental agencies, such series of Bonds to be known as Kentucky Infrastructure Authority Revenue Bonds with the appropriate Series designation; and

WHEREAS, the Authority wishes to establish terms and conditions on said Fund F loans prior to the issuance of Authority Revenue Bonds and recognizes that additional planning and design of the financed projects are required.

NOW, THEREFORE, THE KENTUCKY INFRASTRUCTURE AUTHORITY, ACTING BY AND THROUGH ITS BOARD OF DIRECTORS AS ITS DULY AUTHORIZED AND EMPOWERED GOVERNING BODY, DOES HEREBY RESOLVE AND ORDER, AS FOLLOWS:

Section 1. All statements of fact set forth in the preambles to this Resolution and Order are incorporated herein by reference, the same as if set forth verbatim. All such

statements of fact are hereby declared to be true and accurate in all material respects.

Section 2. The Authority hereby authorizes the Amendment of a conditional Federally Assisted Drinking Water Revolving Fund loan increasing the amount up to \$4,497,137 of project expense including capitalized interest for the construction period, to the City of Lebanon for the Water System Improvements project. Such amounts are subject to adjustment by further action of the Authority or may be adjusted by action of the Executive Director at the time of the issuance of bonds based on adjustment in project costs of not more than (10%) ten percent of the loan amount authorized by this resolution. Upon satisfaction of all conditions of the commitment, execution of an assistance agreement for this loan is authorized.

Section 3. Principal forgiveness of 50% of the assistance amount, not to exceed \$1,000,000 will be deducted from the approved loan amount. The unforgiven principal balance of \$3,497,137 shall be repaid.

Section 4. The principal shall be repayable over 30 years at an interest rate of 0.50%. In addition to debt service, a 0.25% annual administration fee on the unpaid loan balance will be charged. From annual revenues, \$11,900 must be set aside in a borrower held replacement reserve each December 1 until the balance reaches \$238,000 and maintained for the life of the loan. These terms are subject to adjustment upon execution of the loan agreement, upon changes in the project conditions or determination that the project will require authority financing to be done on a taxable basis.

Section 5. This Resolution and Order shall be in full force and effect from and after its adoption at a properly held meeting of the Kentucky Infrastructure Authority this 26th day of September, 2019.

Re: F18-006
Lebanon Water Works--2903
Activity ID: FGL20180003

Dear Mrs. McNeil:

The Division of Water (DOW) hereby certifies that the City of Lebanon is eligible to receive an increase of \$1,855,457 bringing their total loan amount to \$4,497,137 from the Drinking Water State Revolving Fund. The DOW certifies that the project scope is consistent with the scope that was used to rank the project on the Intended Use Plan-Project Priority List.

The City of Lebanon status relative to the Drinking Water State Revolving Fund General Conditions is provided below:

1. Project specific environmental information was by DOW on September 18, 2018.
2. Plans and specifications are expected to be submitted to DOW in October 2019.

Upon compliance with the general conditions, the DOW will issue a final project certification prior to authorizing the loan agreement. A preconstruction and project management conference with the DOW must be held prior to commencement of construction. If you have any questions concerning this letter, please contact Buddy Griffin, Project Manager, at (502) 782-6958.

Sincerely,

Peter T. Goodmann, Director
Division of Water

CITY OF LEBANON, MARION COUNTY
PROJECT REVIEW
WX21155043**

I. PROJECT DESCRIPTION

This request is for an increase of \$1,855,457 to fund additional work for the Water System Improvements project. The new total project cost is \$4,747,137. During design phase of the project, it became apparent that a number of additional items are necessary to fully achieve the goal of improving water quality for the existing 2,600 customers served by the Lebanon Water Works Company (“LWWC”). These items include constructing buildings over the flocculation and sedimentation basin, converting the disinfection system from chlorine gas to liquid sodium hypochlorite, installing an influent flow meter, adding a new sludge loading station and upgrading the electrical and control equipment. The increase will help the LWWC save the overall construction cost by completing the project under one contract instead of multiple contracts.

The original project was to replace approximately 22,000 linear feet of 2, 4 and 6 inch cast iron water main with 6 inch PVC pipe in the western section of the City. The existing cast iron piping in this area has been prone to frequent leaks, breaks and service disruptions. The replacement will include service connections to reduce leakage and improve water pressure. Modifications and upgrades will be made at the existing water treatment plant to improve water quality and efficiency. A gravity sludge thickener, a settling basin scraper, and a new fluoride room will be installed. Additionally, 4 existing filter media units will be replaced and energy efficiency improvements will be made to the raw water intake. It will also add a belt press to reduce the amount of discharge and improve discharge water quality.

The LWWC serves approximately 2,600 customers in Marion County. It is a wholesale provider to the Marion County Water District. The latest wholesale rate increase was filed with the Kentucky Public Service Commission (“PSC”) in September, 2017 but disputed by the Marion County Water District. The PSC subsequently ruled over the protest and approved a modified increase in April, 2018.

VIII. 2017 CAPITALIZATION GRANT EQUIVALENCIES

- 1) Green Project Reserve - The Drinking Water capitalization grant does not contain a “green” requirement.
- 2) Additional Subsidization - This project qualifies for additional subsidization in the amount of \$1,000,000.

IX. FINANCIAL ANALYSIS

Financial information was obtained from the audited financial statements for the years ended June 30, 2016 through June 30, 2018. The non-cash impacts of GASB 68 – Accounting and Financial Reporting for Pensions and GASB 75 – Other Postemployment Benefit have been removed from the operating expenses. Percentage references in the History section below are based on whole dollar amounts and not the rounded amounts presented.

HISTORY

Revenues increased 13.6% from \$2.67 million in 2016 to \$3.04 million in 2018 due to previous rate increases. Operating expenses increased 48.0% from \$1.65 million to \$2.44 million during the same period as a result of additional maintenance/repair works, unbudgeted legal fees for the PSC rate case, and the new water purchase agreement with Campbellsville. The debt coverage ratio was 2.6, 2.2, and 1.4 in 2016, 2017, and 2018 respectively.

The balance sheet reflects a current ratio of 1.4, a debt to equity ratio of 1.2, 57.7 days sales in accounts receivable, and 1.9 month operating expenses in unrestricted cash.

PROJECTIONS

Projections are based on the following assumptions:

- 1) Total revenues will go up approximately 16% by 2020 due to a combination of previously approved retail and wholesale rate increases.
- 2) Water purchase costs will increase 175% by 2023 to meet the quantity requirement of the Campbellsville service agreement.
- 3) Operating expenses will be reduced by approximately \$170,000 excluding non-recurring legal, insurance, and miscellaneous expenses. A 2% annual increase will be applied to the projection for general inflation.
- 4) Debt service coverage is 1.3 in 2022 when full year principal and interest repayments are expected to begin.

Based on the pro forma assumptions, the utility shows adequate cash flow to repay the KIA Fund F loan.

REPLACEMENT RESERVE

The replacement reserve will be 5% (\$238,000 total) of the final amount borrowed to be funded annually (\$11,900 yearly) each December 1 for 20 years and maintained for the life of the loan.

I.B.4.

**A RESOLUTION OF THE KENTUCKY INFRASTRUCTURE AUTHORITY
AUTHORIZING AND APPROVING THE ISSUANCE OF OBLIGATIONS OF
THE KENTUCKY INFRASTRUCTURE AUTHORITY TO REIMBURSE
CAPITAL EXPENDITURES MADE BY GOVERNMENTAL AGENCIES
PURSUANT TO LOANS MADE BY THE KENTUCKY INFRASTRUCTURE
AUTHORITY TO SUCH GOVERNMENTAL AGENCIES**

WHEREAS, the Board of Directors of the Kentucky Infrastructure Authority (the "Authority") has heretofore approved the undertaking of the projects described in further detail in Exhibit A (collectively, the "Project"); and

WHEREAS, the Authority anticipates making loans to governmental agencies pursuant to the provisions of Chapter 224A of the Kentucky Revised Statutes (the "Act") for the Project and the governmental agencies may be expected to pay and/or incur costs with respect to the Project ("Prior Capital Expenditures") on or after the date of this resolution and prior to the issuance of the obligations (the "Obligations") which will finance the Project.

NOW, THEREFORE BE IT RESOLVED by the Board of Directors of the Kentucky Infrastructure Authority as follows:

Section 1. The Board of Directors hereby approves the use of the Obligations to finance the costs of the Project in the maximum principal amount set forth in Exhibit A plus costs of issuance related thereto and amounts required to fund a debt service reserve, if any, and declares its intent that any Prior Capital Expenditures made by the governmental agencies pursuant to loans made by the Authority will be made in anticipation of the issuance of such Obligations to reimburse said Prior Capital Expenditures. This declaration is made pursuant to Treas. Reg. §1.150-2.

Section 2. The Executive Director and Treasurer of the Authority are hereby authorized and directed to reimburse, not later than eighteen months after the later of (i) the date of the expenditure or (ii) the date the item was placed in service, but in any event not later than three years after the original expenditure, only those Prior Capital Expenditures made with respect to assets having a reasonably expected economic life of at least one year, and in addition, eligible preliminary expenditures paid and incurred prior to commencement of the Project.

Section 3. The Authority finds and determines that, consistent with the Authority's budgetary and financial circumstances, it does not have funds currently available and does not expect to have funds available in the future that may be allocated on a long-term basis, other than the proceeds of the Obligations, to finance the Prior Capital Expenditures.

Section 4. The Authority hereby directs the Executive Director, Secretary, and Treasurer to take the following action at the time the Prior Capital Expenditures are reimbursed from proceeds of the Obligations: (i) evidence the reimbursement on the books and records maintained with respect to the Obligations, and (ii) identify either the actual prior expenditure to be reimbursed or, in the case of reimbursement of a fund or account, the fund or account from which the expenditure was paid.

Section 5. The books, records and proceedings of the Authority with respect to this resolution shall be made reasonably available by the Authority for its inspection by the general public at the Authority's administrative office every business day during normal business hours commencing no later than 30 days after the passage of this resolution. Said books, record and proceedings of the Authority with respect to this resolution will continue to be reasonably available to the general public until the date of issuance of the Obligations.

Section 6. This Resolution shall be in full force and effect from and after its adoption. Passed and adopted this 26TH day of September, 2019.

DONNA MCNEIL, EXECUTIVE DIRECTOR
KENTUCKY INFRASTRUCTURE AUTHORITY

ATTEST:

MARGARET F. LINK, SECRETARY
KENTUCKY INFRASTRUCTURE AUTHORITY
